

Registration Information

Registration this year will be online through ClubRegistration.net and will open on August 16th, the day after the Chesapeake Region Crabfeast. The cost per car and two people is \$40, which includes entry in the Concours or car show, the gimmick rally, and the tech quiz. You do not have to participate in all three events, but all three are included in the registration fee. Event T-shirts are available for pre-orders at \$15 each. The cost for dinner at Frederick Cellars is \$40 per person, and includes appetizers, dinner, dessert, beverages and two glasses of wine per person. Wine will also be available for purchase during the evening. There is no charge for the jazz music entertainment following our events- please feel free to stay and enjoy. Due to space limitations and occupancy regulations, the entries for Chesapeake Challenge 40 will be strictly limited to 60 Porsches, and 100 people for the awards dinner. Registrations are expected to fill quickly for this event, and a wait list will be kept.

Registrants will receive a confirmation email and an email with specific Concours/car show preparation information and parking directions, which will also be posted on our website. It will be critical for participants to stage in an organized and timely fashion because we are using city streets and sidewalks. Latecomers may not be able to be placed within class. We appreciate your cooperation.
